

SO  
WHAT ARE YOU  
doing studying THIS  
CATALOG SO  
CLOSELY FOR?  
GET OUT and PLAY!

AS YOU READ THIS, RIVERS YOU COUNT ON ARE BEING JEOPARDIZED. WHITEWATER HOTSPOTS LIKE THE OCOEE IN TN ARE NOW AT RISK DUE TO AN INVASION OF THE TIMBER AND PAPER INDUSTRY.

ACCORDING TO THE U.S. FOREST SERVICE, MORE TIMBER IS BEING CUT IN THE SOUTH THAN IN ANY OTHER NATION IN THE WORLD. FIVE MILLION ACRES OF FORESTS ARE BEING WIPED OUT ANNUALLY. AND WITH IT, CLEAN WATER, AND THE PRISTINE PLACES THAT MAKE THE SOUTH ONE OF THE MOST FREQUENTED RECREATION ATTRACTIONS IN THE WORLD.

THE DOGWOOD ALLIANCE IS COMMITTED TO PROTECTING SOUTHERN FORESTS AND ENSURING THE FUTURE OF OUTDOOR RECREATION BY:

- STOPPING THE CONSTRUCTION OF NEW OR EXPANDING WOOD-CHIPPING FACILITIES
- PASSING STRONG FOREST PROTECTION POLICIES IN SOUTHERN STATES
- REDUCING THE DEMAND FOR VIRGIN WOOD FIBER AND ENCOURAGING THE USE OF RECYCLED AND TREE-FREE ALTERNATIVES.

WITH THESE GOALS IN MIND, WE HAVE ESTABLISHED TEAM DOGWOOD AS AN EASY WAY FOR PADDLERS, OUTDOOR RETAILERS AND MANUFACTURERS TO GET INVOLVED AND HELP THE DOGWOOD ALLIANCE STEM CLEARCUTTING AND CONVERSION OF NATURAL FORESTS IN THE SOUTH.

VISIT THE DOGWOOD ALLIANCE WEBSITE FOR MORE INFORMATION.

## WHAT MAKES A

## TRAVELCHAIR SO SPECIAL?

TRAVELCHAIR

WE KNOW — IT'S JUST A CHAIR. NO BIG DEAL IF IT BREAKS. RIGHT? IT'S NOT LIKE A CARABINEER STRAIGHTENING OUT AND SENDING YOU HURLING TO YOUR DEATH. OR BREAKING A PADDLE ON A CLASS V RIVER JUST BEFORE YOU SKIRT THAT TERMINAL SIEVE. BUT IF YOUR CHAIR BREAKS IT WILL HACK YOU OFF. AND IT WILL HACK US OFF.

SINCE 1987 WE HAVE BEEN DESIGNING CHAIRS IN PHUN HOG HEAVEN IN GIG HARBOR, WASHINGTON. WE OVERBUILD THEM — FROM THE NYLON THAT WE USE IN THE FEET TO THE WEBBING THAT HOLDS THE SEATBACKS TO THE FRAMES. WE'RE JUST THAT WAY.

HEY — WE KNOW THAT IT'S JUST A CHAIR. BUT WE WANT IT TO BE THE BEST CHAIR THAT YOU'VE EVER OWNED.

*QUICK DRYING, LIGHTWEIGHT, REVEOLING, BULLETPROOF...*

# The Lingerie Line

THE LINGERIE LINE TAKES THE BEST OF **TRAVELCHAIR** AND IMPROVES UPON IT. WE'VE TAKEN OUR MOST POPULAR CHAIRS AND MESHEd FABRICS WITH THEM THAT ARE SUPER QUICK TO DRY, WON'T PUDDLE RAINWATER, ARE MILDEW RESISTANT AND ARE LIGHTER IN WEIGHT THAN THE FABRICS THAT WE USE IN THE REST OF OUR LINE. WE CALL THESE NEW FABRICS BALLISTIC NYLON AND BALLISTIC POLYESTER MESH.

THE LINGERIE LINE PROVIDES A FORM FIT IN ANY ENVIRONMENT, BUT IS PARTICULARLY WELL SUITED TO THE HOT, WET ONES. IDEAL FOR RIVER TRIPS OR JAUNTS TO THE BEACH.

ACCOMPANYING SVELTE STUFF-SACKS IN THE LINGERIE LINE COME WITH COORDINATING MESH PANELS SO THAT YOU CAN PUT YOUR LINGERIE AWAY WET AND REDUCE THE DANK SMELL WHEN YOU PULL IT OUT AGAIN.

Lynn Beck, personal trainer and kickboxing instructor, does her own stretching on Cutts Island, Henderson Bay, WA.

TRAVELCHAIR

**The Teddy:** Form fitting and contours to your body. Classic lines and supportive throughout, the Teddy is our best selling chair covered with Ballistic Nylon Mesh. **Model №579**

**TRAVELCHAIR**

## TRAVELCHAIR

**The Bodywrap:** Provides comfort, full coverage, and ventilation like a Bodywrap. This chair can do it all with maximum comfort. Adjustable pillow conforms to every size body. **Model №779.**

Steve Jordan carves out a smooth turn.  
Photo by Stephen McBride, Courtesy of Liquidlogic Kayaks. [www.liquidlogic kayaks.com](http://www.liquidlogic kayaks.com)

**The Fishnet:** While it shares the same frame as The Teddy, the fishnet is more seductive in appearance. Inspired by the salmon nets used by commercial fishermen based out of Gig Harbor, the Fishnet is constructed by hooking up polyester mesh and solid polyester fabric. **Model №569.**

Ma'Shelle and Timothy mend nets aboard the Paragon after a season of salmon fishing. Gig Harbor, WA.

**The French Cut:** Like a French Cut bikini bottom, the **TRAVELCHAIR** French Cut is supportive and revealing. This low cut chair is inspired by classic beach chairs and is perfect when the job calls for a full sized chair but storage space is limited. **Model №2279.**

**TRAVELCHAIR**

*anytime, anywhere*

## CORE LINE

TRAVELCHAIR

THE CORE LINE STARTED  
IT ALL. GREAT STUFF  
THAT WILL FULFILL  
EVERY NEED FROM  
STEELHEAD FISHING IN  
EASTERN RUSSIA TO  
SEA KAYAKING OFF THE  
COAST OF MARTHA'S  
VINEYARD TO NAPPING  
IN THE SUN.

**Lounge Lizard:** Not the sleazy variety that hangs in bar rooms that smell of mildew, old cigarette smoke and stale beer, but the cute kind that scampers around your campsite after the sun gets low and the shadows get long. The number one chair in our line to recover in from heinous outdoor workouts and office place burnouts. **Model №2189.**

*SO WHAT MAKES A TRAVELCHAIR SO SPECIAL?*

TRAVELCHAIR

**Magic Carpet Ride:** Remember when you were a kid and your parents slept in cots when they camped? Well, as you've found out, maybe your parents weren't so clueless after all. We love fast and light, but when doing a week of creeks on the Olympic Peninsula nothing rocks like the Magic Carpet Ride. Generously oversized, it keeps you out of the muck in manke conditions and protects you from things that go bump in the night for half the price of a self-inflating mattress. And the generous 80"x30" size accommodates the most active sleepers.

**Model №2389.**

#### LET'S START WITH CONNECTORS.

WE LIKE TO THINK THAT OUR CONNECTORS ARE AS STRONG AS THE BOND BETWEEN YOU AND YOUR BEST DAWG – BUT BE AWARE – NOT ALL PLASTIC IS CREATED EQUAL. CONNECTORS ON TRAVELCHAIRS ARE MADE WITH AMAZING STUFF THAT IS DURABLE AND PLIABLE – NYLON. IT MEANS THAT YEAR AFTER YEAR THESE CONNECTORS WILL BE FLEXING THEIR WAY THROUGH LIFE (THINK POWER LIFTER STRONG, YOGI FLEXIBLE) WHILE OTHER WEAK, FRAIL CONNECTORS BREAK UNDER THE PRESSURE OF EVERYDAY LIFE.

# TRAVELCHAIR

CORE LINE [MORE CORE]

**Easy Rider:** The classic folding chair. This is the workhorse that guides and outfitters around the world rely on. While look-a-likes last three weeks, outfitters get three hard years of use from the Easy Rider. **Model №589.**

**Bubba Chair:** Like a bubba this chair will wrap around you and encase you in love like a hug from your country bred grandfather. Tough, gruff double layered 600 denier polyester exterior hides a heart of comfort and an adjustable pillow cradles your head.

**Model №789.**

**Big Bubba Chair:** When Bubba love just isn't enough for you. A footrest on the Bubba brings the ultimate in laid back comfort and security to a package that will still fit behind the seat in the truck. Like the rest of the chairs on this page, the Big Bubba's double layered 600 denier polyester will keep you out of harm's way. **Model №789FR.**

Maya and Isabella search for clues to their island's namesake; Dead Man's Island, Henderson Bay, WA.

## SO WHAT MAKES A **TRAVELCHAIR** SO SPECIAL?

*WHETHER ITS BIKES, CHAIRS, OR HUMANS, A GOOD STURDY FRAME IS WHERE IT ALL STARTS.*

*SOME ASPECTS OF A GOOD FRAME ARE READILY APPARENT AND SOME ARE NOT. LET'S START WITH WHAT IS VISIBLE. TRAVELCHAIR STARTED THE WHOLE FOLDING FURNITURE GENRE IN 1984. NATURAL SELECTION HAS LED TO A DESIGN THAT IS AS SIMPLE, AS LIGHT AND AS TOUGH AS POSSIBLE.*

*LOOK UNDER THE SKIN AND YOU WILL SEE THAT OUR STEEL AND ALUMINUM ARE A GRADE HIGHER THAN WHAT IS ON THE MARKET AND A TICK OR TWO THICKER. TRAVELCHAIR HAS DESIGNED AND PRODUCED MORE THAN 2,525,445 CHAIRS TO DATE. THAT'S ENOUGH STEEL AND ALUMINUM TO STRETCH FROM NYC TO THE CONGO AND BACK. THAT'S A LOT OF REAL LIFE PRODUCT TESTING AND DESIGN EXPERIENCE THAT HAS GONE INTO EACH TRAVELCHAIR.*

**Grommet Chair:** Put the youngsters in this scaled down Easy Rider after an exhausting day of sand castle building and beach combing. The Grommet Chair also nicely accommodates aspiring pro soccer players between plays.

**Model №589K.**

**SlingChair:** A chopper version of the Easy Rider. Less chair, less bulk, less weight. Fits nicely into most touring kayaks. Rocks on canoe trips and in sports cars – our stuff fits in any ride.

**Model №689S.**

CORE LINE [TABLES]

"If only they knew how much I detest kibble, 24/7/365, they'd share their food with me." The Dahlgrens picnic down oblivious to Wilbur's pain. Gig Harbor, WA.

**Nacho Table:** Perfect size for a snack on the dock or backcountry dinner for two. We don't want you to sit on it, but it will hold a heap of food.  
**Model №389L.**

**Canyon Table:** At least 50% of all that is good about Canyon trips rests on a table — margaritas, steaks, margaritas, brownies, margaritas... The Canyon table is equally at home in the local park as it is on a river trip. Highly compact. All aluminum. Weighs next to nothing. **Model №2089.**

**Canyon Table El Grande:**

Too much of a good thing... is a good thing. Almost twice the size of the Canyon Table. **Model №2089LG.**

# Slacker Series

WHY KNEEL OR SIT ON YOUR HAUNCHES WHEN A PACKAGE NO BIGGER THAN A COLLAPSIBLE UMBRELLA WILL ADD COMFORT AND SERENITY TO YOUR LIFE?

**Slacker:** A simple two pound, three legged structure that will hold 275 pounds. Collapses down to a package and wraps with an integrated Velcro strap. **Model №1389.**

**Adjustable Slacker:** A small package that adjusts in height from 20" to 25". **Model №1389D.**

**Ultimate Slacker:** Provides the support of a chair with the compactness of a Slacker. The Ultimate Slacker fits nicely into the front storage hatch of most touring kayaks. It is equally at home on the soccer field. **Model №1489.**

# SO WHAT MAKES A TRAVELCHAIR SO SPECIAL?

BEAUTY MAY BE SKIN DEEP, BUT OUR FABRICS ARE TOUGH TO THE CORE.

TAKE THE FABRIC THAT WE USE IN MOST OF OUR CORE LINE. WHILE MOST CAMP CHAIRS GET BY WITH A SINGLE LAYER OF A LIGHTER FABRIC, WE USE DOUBLE LAYERS OF 600 DENIER POLYESTER. DOUBLE LAYERED FABRICS ARE NOT ONLY MORE DURABLE, THEY LOOK BETTER AND FEEL MORE SUBSTANTIAL WHEN YOU'RE KICKING BACK. AS FOR THE CINCH SOCKS, WE WENT WITH A LIGHTER PLY AND WE BAR-TACKED THE STITCHING, IN ORDER TO MINIMIZE THE HASSLE WHILE MAINTAINING THE STRENGTH, FREEING YOU UP TO HAVE MORE PHUN.

OUR BALLISTIC NYLON AND POLYESTER MESHES ARE THE RESULT OF WORKING CLOSELY WITH SUPPLIERS TO CRAFT PRODUCTS THAT MEET AND EXCEED THE DEMANDS PLACED ON OUR CHAIRS BY YOU, THE END USER. OF COURSE, ALONG THE WAY WE PUT THEM THROUGH SOME RIGOROUS PRODUCT TESTING IN THE DESERT SOUTHWEST, IN CHILEAN PATAGONIA AND IN OUR OWN WAREHOUSE.

Proving that it doesn't always rain in the Pacific Northwest. Sunrise in Gig Harbor, WA.

## Minimalist's Chairs

SOMETIMES FAST AND LIGHT IS THE TICKET. OUR LINE OF MINIMALIST'S CHAIRS CARRY EQUALLY WELL ON A WINTER SKI TOUR OR AT SUMMER BALL GAMES.

TRAVELCHAIR

**Dirtbag Chair:** Classic minimalist seating that no phun hog should be without. Throw one in the trunk and have it for après mountain biking beers or a soft cushion for soaking up the sun after Spring river runs. **Model №1589.**

**Stadium Seat:** A few more widgets on the Dirtbag Chair makes the Stadium Seat a bunch more versatile. A buckled strap on the bottom of the Dirtbag Chair allows the Stadium Seat to be lashed to bleachers at the ball game or to a canoe seat on a multi-week Algonquin trip. **Model №1689.**

# Other Stuff

STUFF THAT'LL MAKE YOU LOOK  
JUST AS COOL AS CAN BE

**GL Picnic Pack and Attache:** Looks like overkill until a special occasion comes along. We took care of the WOW Factor so you can look like a hero with minimum stress. Both packages have complete picnic service to cover a party of four – or just use either one on a romantic hike-in or a picnic for two. GL Picnic Pack features matching blankets that is fuzzy on one side and waterproof on the other so wet grass doesn't soak your butt. Attache carries over the shoulder and has two integrated beverage holders. Both have built-in, insulated coolers.

**Model N°8896. (GL Picnic Pack)**

**Model N°8898. (GL Attache)**

**Beach Umbrella:** Our Beach Umbrella isn't one of the cheesy ones sold at the corner drug store. Use it on the beach, at the local crags, or on multi-day rafting trips to hide the groover. **Model N°1189.**

While Anne expands her mind, Chandler dreams of a bigger, more powerful riding mower. Gig Harbor, WA.

**Backpack Chair:** We took the shoulder and sternum straps off an approach pack, screwed it on a wicked comfy chair, and added the bag from a daypack. Allows you to hike in, have your cake and eat it too, all while chillin' in a **TRAVELCHAIR**. A great tool for artists and outdoor educators. **Model №2489.**

**Anywhere Chair with Cooler:** The perfect answer when watching half pipe competitions on sunny Spring days. Beverages store nicely under your seat – safe from marauding beverage leeches. Makes guys look like studs. Makes girls look like babes. **Model №1289C.**

# PROMOTIONAL TRAVELCHAIR

opportunities...

YOUR [LOGO] HERE
